Protopresbyter Triantafillos Porfiris

Announcement for Holy Communion

As our church continues holding Services behind closed doors, we would like to ensure that our parishioners have an opportunity to receive Holy Communion given the health and safety restrictions set forth by the Province and City due to the pandemic.

For this purpose:

- (i) Holy Communion will be available AFTER each Divine Liturgy according to the church schedule. On Sundays Divine Liturgy finishes at approximately 11:30am. On weekdays, Divine Liturgy finishes at approximately 10:30am.
- (ii) As only 10 people are allowed inside the church at any time, one of our staff/council members will be allowing parishioners to enter the building from the front doors after Service while maintaining social distancing. Father Triantafillos will be administering Holy Communion for up to 30 minutes after each Service.
- (iii) The sacrament of Holy Confession is available by appointment.

Please call the church office at 416-977-3342 to reserve your place for any of the above.

Please share this announcement with family and friends.
